To the great Class of 1960,

The Alumni Council and Princeton University have recently met and decided that Reunions for 2021 in its traditional format can not be scheduled. Covid 19 will be getting worse during this winter season. The vaccine, so long awaited, is now here and inoculations have begun. The high priority groups are large in numbers. A few selected members of our Class may be in one of those groups, however, the entire Class of 1960 is realistically not high up in the groups listed.

The predictably of having a safe Reunion in person is still uncertain and therefore is not scheduled as of yet. This decision will be reevaluated in two months. I will write another letter when any decisions are made and information available.

Have a safe Holiday Season and a Happy and Healthy New Year!

Robert M. Briggs
President Class of 1960
