Second Dues Appeal Letter

Princeton Class of 1960

October 17, 2008

Dear Classmate:

The Class dues results for the current fiscal year are very good. As of now, 180 Classmates have contributed and we have also received a goodly amount for the Sachs Scholarship Fund. This is used by the current Sachs Scholars to pursue their Graduate education at Oxford, similar to Dan. As you know, we are also trying to raise a Scholarship Fund that will maintain our level of contributions on a permanent basis. I thank everyone who has contributed and hope that this letter will tickle and prod your consciousness to join the group. Last year we reached almost a sixty percent participation and I am very hopeful that we will do better this year, especially as we are approaching our 50th Reunion. I spent a recent weekend at Princeton and I can assure you that the changes since our graduation are astounding and amazing. The current Class of 2012, including Co-eds, is almost double our final size at graduation.

You will be receiving a letter shortly from Evan Bush, our Reunion chairman, and I hope everyone will consider attending the 50th Reunion on May 27-30, 2010. This is the highlight of most Reunion experiences and it should continue its awesome record. I hope that everyone has a good year in 2008 despite the financial debacle. Obviously the current election is on everyone's mind and we will know about that shortly.

Best wishes to all and again, many thanks for your support and assistance.

Sincerely,

A handwritten signature in black ink, appearing to read 'John'.
