Dear Classmates and Friends:

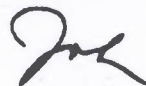

This is the second appeal letter of this year for our current 50<sup>th</sup> Reunion Class dues. We have had an excellent response from the first mailing with 185 classmates, sending a total of more than \$10,000 in dues and gifts and a significant amount for the Sachs Scholarship Fund. I am very pleased with these results and I hope they will continue for the rest of this year. In line with our exceptional ramp-up for the 50<sup>th</sup> Reunion, we have established a new giving total of 400 classmates. This would be approximately 60 percent of the current total Class and a new record for dues contributions.

Everyone has received a mailing from the Reunion Committee and I believe that over 200 classmates how have signed up for the May 27-30, 2010 Reunion. I think we are going to have a fantastic event and I encourage everyone to consider attending. In addition, thanks to the efforts of Jean Rousseau, we will be mailing a new Class book for the 50<sup>th</sup> Reunion which will go to all Classmates and Associates. I think this also will be a great remembrance and a way to refresh ourselves about our activities and our 50 years of experience. Again I encourage everyone to participate in the current years Dues Program and hopefully sooner rather than later.

I hope everyone has a wonderful Holiday season and if necessary, you will hear from me again in early 2010.

Best wishes,

Sincerely,

John G. Cartier  
Treasurer
