Dear Bob:

On behalf of the University I am pleased to acknowledge the latest generous contribution from you and your classmates to the Class of 1960 Memorial Scholarship Fund.

We believe that a Princeton education should be affordable for all, and that qualified students should not be discouraged from applying due to financial constraints. Because of this, financial aid remains one of our highest priorities. Princeton continues to set the standard among our peer institutions, and we could not continue to meet our commitment to this high standard without the participation of dedicated alumni, family, and friends. With assistance such as yours, we will be able to enroll a student body that increasingly reflects the diversity of our global society. '60's continued interest and generosity are very much appreciated by all of us here. Please convey my appreciation to your classmates.

With best wishes,

Sincerely,

A handwritten signature in cursive that reads "Chris".

Many thanks to you & your classmates for supporting our students so generously!
