

STEPHEN DOUGLAS DANTZSCHER '60

STEVE WAS BORN on June 21, 1938, in Phillipsburg, Penn., and is the brother of David Dantzschler '58. He attended Manhasset High School in New York and was editor of the

yearbook, a member of the rifle team and the dramatics club. A civil engineering student at Princeton, Steve was student director of the Student Center and a member of Dial Lodge. He graduated with honors in engineering.

Upon graduation, Steve was employed by Howard, Needles, Tammen, and Bergendoff, consulting engineers, and he stayed with the firm throughout his career. He started out as a civil engineer. He also attended Baruch School at C.C.N.Y. in NYC where he earned a master's degree in business administration. He was then transferred to the Fairfield, N.J. office where he was appointed office manager. For the past few years, Steve served as executive administrator for the firm's 26 offices around the country.

Steve was a licensed professional engineer in the states of New York and New Jersey, and was a member of the A.S.C.E. He is survived by his former wife, Judith, a son, Stephen Russell (age 11), and a daughter, Carol Lynne (age 10), of 6370 4th Palm Point, St. Petersburg Beach, Fla. He is also survived by his mother, Mrs. Anne D. Simmons, and four brothers, David, Philip, Barry, and Carter. To Steve's friends and family, the Class extends its deepest sympathy.

The Class of 1960
