track as we go back,*

**SAVE THE DATE:**

**MAY 28 to MAY 31, 2020**

Come back to “the best old place of all” Join your fellow classmates for a weekend of comradeship, entertainment and informative lectures--including one on the options for senior living. Our Reunion headquarters will be on the upper campus between Holder/Hamilton and Campbell/Joline.

**LAST BIG ONE**

The next major Reunion after this one will be our last independent Reunion and is expected to see significantly fewer classmates attending. This is “the last big one.”

**TRANSPORTATION**

The Campus has grown larger since we graduated, Reunion attendance and parking challenges have increased while mobility and getting around have become an issue for some classmates. We have asked former Class President, Terry Mecray to work with the University on these issues. Fortunately, efforts have been made to improve transportation around campus including using Rovers--golf cart taxis that rove the campus to provide on-the-spot transportation. Terry welcomes any constructive suggestions ([pmecray@gmail.com](mailto:pmecray@gmail.com) or 610-527-9333).

**HOUSING**

Gordy Silcox, our excellent Housing Chairman, has already arranged for blocks of rooms at several hotels within 4 miles of the campus. Details on these and other popular area hotels are available on the reverse side or the class website. All hotels listed will be serviced by regular scheduled Reunions Tiger Transit shuttles. Rooms in the Princeton area are selling out fast. *You will have to make reservations yourself.*

We also estimate we will have 35 beds on Campus. Dorm beds can be reserved, first-come-first-served, by contacting Gordy at [gsilcox@wordsonpurpose.com](mailto:gsilcox@wordsonpurpose.com) or 703 568-0481.

**COMMUNICATION AND THE REUNION WEBSITE**

More information will be available on our Class website, <http://princeton1960.org/>. Our website and e-mail will be our primary communication with you. So please make sure that your e-mail address is current. If you don't have e-mail, check the Class website periodically. Included on the website will be information and links to things happening in Philadelphia, New York City and New Jersey around the time of our Reunion.
