Class of 1960
c/o Mr. Philip N. Becton, II
342 11th Street
Atlantic Beach, Florida 32233-5532

Dear Phil:

It is a pleasure to acknowledge the thoughtful gift from the Class of 1960 to the Daniel M. Sachs, Class of 1960, Graduating Scholarship Fund. Few Princeton traditions have as long or proud a history as that of financial aid, which is the foundation of our need-blind admission policy. This prestigious award, which provides for deserving students to have the unique opportunity of traveling and study abroad, adds immeasurably to their college experience, and I am truly grateful for the class's continued support. I hope you will share my appreciation with your classmates.

With best wishes,

Sincerely,

Shirley
