Dear Phil,

Thank you and the Class of 1960 for your gift of \$9,300.00 to the Class of 1960 Graduating Scholarship, in memory of Mr. Daniel M. Sachs, Class of 1960.

In our ongoing efforts to enable the brightest students to attend the University regardless of need, it gives us great encouragement to know that gifts such as yours will advance Princeton's tradition of financial aid that has served us and the nation so well.

Cordially,
