

Announcing: Class of 1960 SEATTLE MINI-REUNION

September 4th to 7th, 2008

Plan to join some of your classmates and spouses for what promises
To be a great time in a great part of the U. S. A. ... the Pacific Northwest!

What a great way to have a prelude to our big 50th reunion that is only two
years away ... and on a much smaller, more intimate scale.

If you are not familiar with all that our area has to offer, it is highly recommended that
you think about coming early for the reunion or stay afterwards ... there
is much to explore: a boat trip up to Victoria, a visit to Vancouver, a day trip
to beautiful Mt. Rainier and the volcano exhibit at Mt. St. Helens, a drive around
the Olympic Peninsula which starts with a ferry ride across Puget Sound. The group
rate for the reunion hotel, the Red Lion in downtown Seattle, is available
(at the time of writing this in early June) ahead of September 4th, but not afterwards.)

Full details of the program during our reunion will be mailed out by mid June,
along with a registration form. The maximum number for our reunion is only
fifty, so an early decision to join us would be a very good idea!
