

Class of 1960

February 2022

In the January issue of the *Princeton Alumni Weekly*, President Christopher Eisgruber '83 reflects on the unrivaled five 2021 Nobel Prizes awarded to Princeton scholars and alumni and the Ivy League champion Tiger football team and describes how persistence and optimism are fundamental to the mission of Princeton.

Annual Giving is distinctive at Princeton and our collective support helps to preserve the transformative opportunities of the Princeton experience for current and future generations of students. Our unrestricted gifts to Annual Giving enable our University to guarantee financial aid to all admitted students who need it, to hire world-renowned faculty who are dedicated to teaching, and to undertake critical new initiatives, such as opening a COVID-19 testing laboratory to support its testing program for the campus community so that Princeton can continue the residential, in-person teaching, learning, and co-curricular experience.

Large or small, every gift matters. Please join us in making a gift to our 2021-22 Annual Giving campaign. You can use the enclosed envelope, visit www.princeton.edu/ag, or call 800-258-5421 (outside the U.S. and Canada 609-258-3373).

Thank you in advance for your thoughtful consideration. Be well and stay safe.

Best wishes,
