Dear Mike,

The fall term is now well underway, and Princeton's talented students are exploring all of the rich academic and extracurricular opportunities that our University has to offer. Three Princeton professors received prestigious awards from the National Institutes of Health for their trailblazing research in human health, and Ben Bernanke, former Princeton professor and economics department chair, was awarded the Nobel Prize in economic sciences. Not to mention, for the 12th year in a row, *U.S. News and World Report* named Princeton the overall best national university.

Annual Giving provides the margin of excellence that makes the extraordinary Princeton experience possible. Our unrestricted gifts allow the University to respond swiftly to extraordinary needs and important new opportunities.

Every gift matters. We hope that you will join us in making a gift to our 2022-23 Annual Giving campaign. You can use the enclosed envelope, visit www.princeton.edu/ag, or call 800-258-5421 (outside the U.S. and Canada 609-258-3373).

Thank you for your participation and for your support.
