

REMINDER! 1960'S 65th YEARBOOK

You recently received a letter about the yearbook we are producing for our 65th Reunion.

We need your submission to make this book successful! *All of the details are in the letter dated February 2023*, but here is a quick review.

Content is anything you like, perhaps your life since graduating, or since the 50th Yearbook, or about Princeton itself. *No views on politics*. There is enough acrimony already. This should be in Word, attached to an email to **Andy Prindl** at apindl@icloud.com.

Include a black and white **photo** (.jpg) with your submission! Pictures always make a book more interesting.

Deadline for submission - JUNE 1, 2024

This date may seem early, but time is necessary for assembly, photo integration, and printing. Anticipated date of publication is March/April 2025. You are all encouraged to send in submissions as soon as possible. The Class usually loses 20 classmates per year. The earlier submissions arrive, the more we will have.
